

**She Makes Me Happy**

**Rod Stewart**

*Intro*

**C#sus C# C#sus C# x4**

**C#**

She makes me happy on the coldest day

**C#**

She makes me happy when the clouds are gray

**G#**

Every day like Christmas when she s in my house

**C#**

**C#sus C# C#sus C#**

She makes me happy and I wanna shout

**C#**

**C#sus C# C#sus**

**C#**

Now it s a funny old world, I never thought I could settle down

**C#**

**C#sus C# C#sus C#**

But then I met a woman, gonna change my life around

**Ebm**

**F#**

Ah, the good Lord sent me down a little angel

**Ebm**

**G#**

I must change my ways

**Ebm**

**F#**

**Ebm**

**G#**

No more late nights out, we re on a boil, pissing my life away

**C#**

She makes me happy with her downtown style

**C#**

She makes me happy with her crooked smile

**G#**

I go to bed laughing and I wake up smiling

**C#**

**C#sus C# C#sus C# x2**

She makes me happy, she smiles to me wild

**C#**

**C#sus C#**

**C#sus C#**

I m a stubborn kind a fellow, never thought this could happen to me

**C#**

**C#sus C# C#sus C#**

I could smoke and drink and gamble just as I please

**Ebm**

**F#**

Now I m working out daily and I m watching my waistline

**Ebm**

**G#**

No more burgers and flights

**Ebm**

**F#**

When I get home there s a hot bath waiting

**Ebm**

**G#**

Glass of wine on the side

**C#**

She makes me happy when the day is done

**C#**

She makes me happy like the summer sun

**G#**

We re getting closer and we re making plans

**C#**

**C#sus C# C#sus C#**

She makes me happy, I want to dance, oh, yeah

*Interlude*

**G# G# C#sus C# C#sus C#**

**C# G# Ebm F#**

**C# G# Ebm F#**

**C# G# Ebm F#**

**C#**

She makes me happy, can you understand?

**C#**

She makes me happy, I m a reborn man

**Ebm**

She showed me loving is a wonderful thing

**C#**

She makes me happy, wanna sing, sing, sing

**C#**

She makes me happy, can you understand?

**C#**

She makes me happy, I m a reborn man

**G#**

Every day like this, messing around in my house

**C#**

She makes me happy, yes she does

**C#**

She makes me happy, she makes me happy
