

Still Love You
Rod Stewart

Bbm **C#**
I was told by a good friend
G# **C#**
You were untouchable, out of my reach.
Bbm **C#**
But the first time ever I saw you,
G# **C#**
I spilled my cherry wine over your dress.
Bbm **C#**
You said, Don t you worry, it s not my best one.
G# **C#**
First encounter, hardly the best.

F# **G#** **C#**
But I would not change a thing
F# **G#** **C#**
If I could do it all over again.
F# **G#** **C#** **Bbm***
All I m tryin to say in this awkward way is,
C#
I still love you.

Bbm **C#**
Didn t I try to impress you,
G# **C#**
But my old Chevy Van kept breakin down.
Bbm **C#**
And my one room over the drugstore,
G# **C#**
We watched the neon lights go out over town.

Bbm **C#**
And some nights we d go out dancin ,
G# **C#**
Come home singin by the Erie Canal.
Bbm **C#**
Two hearts gently poundin
G# **C#**
As that mornin train came janglin through.

F# **G#** **C#**
But I would not change a thing
F# **G#** **C#**
If I could do it all over again.
F# **G#** **C#** **Bbm***
All I m tryin to say in this awkward way is,
C#
I still love you.

Bbm **C#**
Well darlin , didn t I promise
G# **C#**
I d never go so far away again?
Bbm **C#**
But here I am writin this letter;
G# **C#**
Goodbye to you, my love, see you again.

F# **G#** **C#**
But I would not change a thing
F# **G#** **C#**
If I could do it all over again.
F# **G#** **C#** **Bbm***
All I m tryin to say in this awkward way is,
C#
I still love you.
