

Tonight`s the night
Rod Stewart

C# F# C# F#
Stay away from my window, stay away from my back door, too.
C# F# C# F#
Disconnect the telephone line, relax baby and draw that blind.
C# F#
Kick off your shoes, and sit right down,
C# F#
and loosen up that pretty French gown.
C# F#
Let me pour you a good long drink,
C# F#
Oh baby, don t you hesitate, cause :

C# F# C# Bbm
Tonight s the night, it s gonna be alright.
Ebm F# C# - G#
Cause I love you girl, ain t nobody gonna stop us now

C# F#
Come on, angel, my heart`s on fire,
C# F#
don t deny your man s desire.
C# F#
You d be a fool to stop this tide,
C# F#
spread your wings and let me come inside, cause:

C# F# C# Bbm
Tonight s the night, it s gonna be alright.
Ebm F# C# - G#
Cause I love you girl, ain t nobody gonna stop us now.

C# F#
Don t say a word, my virgin child,
C# F#
just let your inhibitions run wild.
C# F#
The secret is about to unfold,
C# F#
upstairs, before the nights too old, cause:

C# F# C# Bbm
Tonight s the night, it s gonna be alright.
Ebm F# C# - G#
Cause I love you girl, ain t nobody gonna stop us now.
