

Tonight`s the night

Rod Stewart

D Stay away from my window, stay away from my back door, too.
D Disconnect the telephone line, relax baby and draw that blind.
D Kick off your shoes, and sit right down,
D and loosen up that pretty French gown.
D Let me pour you a good long drink,
D Oh baby, don t you hesitate, cause :

D G D Bm
Tonight s the night, it s gonna be allright.
Em G D - A
Cause I love you girl, ain t nobody gonna stop us now

D G
Come on, angel, my heart`s on fire,
D G
don t deny your man s desire.
D G
You d be a fool to stop this tide,
D G
spread your wings and let me come inside, cause:

D G D Bm
Tonight s the night, it s gonna be allright.
Em G D - A
Cause I love you girl, ain t nobody gonna stop us now.

D G
Don't say a word, my virgin child,
D G
just let your inhibitions run wild.
D G
The secret is about to unfold,
D G
upstairs, before the nights too old, cause:

D G D Bm
Tonight s the night, it s gonna be alright.
Em G D - A
Cause I love you girl, ain t nobody gonna stop us now.
