

## Tracks Of My Tears

Rod Stewart

(Intro) D G G A B A D G B A G A

D G Em A  
People say I m the life of the party  
D A (Notes only) B A G A  
Cause I tell a joke or two  
D G Em A  
Although I might be laughing loud and hearty  
D A (Notes only) B A G A  
Deep inside I m blue

D G Em A  
So take a good look at my face  
D G Em A  
You ll see my smile looks out of place  
D G Em  
If you look closer, it s easy to trace  
A D A (Notes only) B A G A  
The tracks of my tears  
G D G D  
I need you, need you

D G Em A  
Since you left me if you see me with another girl  
D A (Notes only) B A G A  
Seeming like I m having fun  
D G Em A  
Although she maybe be cute she s just a substitute  
D A (Notes only) B A G A  
Because you re the permanent one

D G Em A  
So take a good look at my face  
D G Em A  
Ooh you ll see my smile looks out of place  
D G Em  
If you look closer, it s easy to trace  
A D

The tracks of my tears

          G                  D                          G                          D  
I need you, I need you yeah (yeah) yeah    I need you, I need you

(Bridge)

          G                  D                  G                  D  
Outside I m masquerading inside my hope is fading

          G  D  
Just a clown just a clown since you put me down

          Bm                  G                  D                  Em                  A  
My smile is my makeup I wear since my break up with you

D          G          Em                  A  
Baby, baby, baby, baby, baby, baby, baby, baby

          D          G                  Em          A  
Take a good look at my face

                                  D          G                  Em          A  
Yeah you ll see my smile looks out of place

          D                                  G                  Em  
If you look closer, it s easy to trace

          A                  D          G                  Em          A  
The tracks of my tears baby, baby, baby, baby, baby

          D          G                  Em          A  
Take a good look at my face

                                  D          G                  Em          A  
Yeah you ll see my smile looks out of place

          D                                  G                  Em  
If you look closer, it s easy to trace

          A                  E (hold)  
The tracks of my tears the tracks of my tears
