

**Youre in my Heart**  
**Rod Stewart**

**E** **D#m7**  
I didn t know what day it was  
**C#m7** **B**  
When you walked into the room.

**E** **D#m7**  
I said hello unnoticed;  
**C#m7** **B**  
You said goodbye too soon.

**E** **D#m7**  
Breezin through the clientele,  
**C#m7** **B**  
Spinnin yarns that were so lyrical.  
**E** **D#m7**  
I really must confess right here,  
**C#m7** **B**  
That the attraction was purely physical.

**E** **D#m7**  
I took all those habits of yours,  
**C#m7** **B**  
That in the beginning were hard to accept.  
**E** **D#m7**  
Your fashion sense for Beardsley prints,  
**C#m7** **B**  
I put down to experience.

**E** **D#m7**  
The big bosomed lady with a dutch accent  
**C#m7** **B**  
Who tried to change my point of view.  
**E** **D#m7**  
Her ad lib lines were well rehearsed,  
**C#m7** **E** **A**  
But my heart cried out for you.

**D** **A**  
You re in my heart, you re in my soul.  
**D** **A**  
You ll be my breath should I grow old.  
**D** **A**  
You are my lover, you re my best friend.  
**Bm** **A** **Eb°**  
You re in my soul.

**E** **D#m7**  
My love for you is immeasurable;

**C#m7** **B**  
My respect for you: immense.

**E** **D#m7**  
You re ageless, timeless, lace and fineness,  
**C#m7** **B**  
You re beauty and elegance.

**E** **D#m7**  
You re a rhapsody, a comedy,  
**C#m7** **B**  
You re a symphony and a play.

**E** **D#m7**  
You re every love song ever written,  
**C#m7** **E** **A**  
But honey what do you see in me?

**D** **A**  
You re in my heart, you re in my soul.  
**D** **A**  
You ll be my breath should I grow old.  
**D** **A**  
You are my lover, you re my best friend.  
**Bm** **A** **Eb°**  
You re in my soul.

**E** **D#m7**  
You re an essay in glamour. (Please pardon the grammer.)  
**C#m7** **B**  
But you re every schoolboy s dream.

**E** **D#m7**  
You re Celtic united, but baby I ve decided  
**C#m7** **B**  
You re the best team I ve ever seen.

**E** **D#m7**  
And there have been many of days,  
**C#m7** **B**  
Many times I thought to leave.  
**E** **D#m7**  
But I bite my lip and turn around,  
**C#m7** **E** **A**  
Cause you re the warmest thing I ever found.

**D** **A**  
You re in my heart, you re in my soul.  
**D** **A**  
You ll be my breath should I grow old.  
**D** **A**  
You are my lover, you re my best friend.  
**Bm** **A** **Eb°**

You re in my soul.

**D** **A**  
You re in my heart, you re in my soul.

**D** **A**  
You ll be my breath should I grow old.

**D** **A**  
You are my lover, you re my best friend.

**Bm**  
You re in my soul.
