	C	Bb	F							
I	know	your	face	I	ve	looked	on	it	often	
	C	Bb	F							
And	I	know	your	words	I	ve	heard	them	before	
	C	Bb	F							
I	d	swim	every	sea	just	to	bathe	in	your	waters
	C	Bb	F							
Run	fifty	miles	just	to	stand	at	your	door		
	C	Bb	F							
And	I	ve	had	regrets	that	I	ve	carried	with	me
	C	Bb	F							
And	many	times	I	ve	failed	I	confess			
	C	Bb	F							
But	in	your	sweet	arms	is	where	I	ve	found	comfort
	Gm	Bb	F					Gm	Bb	F
Loving	you	was		my	greatest	success				

(And carry on with the same chords)

And desolate years I ve wandered alone
And all that I am is not much at all
But you and I know though I have stayed standing
The measure of a man is how hard he falls
And I ve had regrets that I ve carried with me
And many times I ve failed I confess
But in your sweet arms is where I ve found comfort
Loving you was my greatest success

The end part goes:

Eb Bb F x 3

Gm Bb F to finish
