She---- is all I need

Man I m just a broken mess of shattered glass and cigarette ashes

Verse:

So take away virtue I d live without truth  
Paint all my colours with visions of blue  
Write statuesque novels I d still never read  
She---- is all I need

Every bright morning I d just bow my head  
Beautiful nighttime should watch where it treads  
Pass the stars I d pay them no heed
