

Waverley Steps
Roddy Woombie

Waverely Steps

Capo on 1st fret

G **C**
If there s no geography
Em **C**
In the things that we say
G **C**
So words will keep us locked
Em **C**
In their old-fashioned way
G **C**
Sure we are held together by
Em **C**
The experiences we ve shared
G
But it s taken me
C **Em** **C**
Waverly steps to get there

Em **C** **G**
Close the front door
D
To open the window
Em **C** **G** **D**
Let the light be mined away
Em **C** **G** **D**
At least the light is mine always
Em **C** **D**
But even the light will fade away

G **C**
I Woke up from this dream i had
Em **C**
In Washington Square
G **C**
When the sun finds its place
Em
On my skin
C **G**
And your eyes, they look down from a silent film
C **Em** **C**
We re both breathing smoke like we re breathing air
G
But it s taken me
