Well, if you re cutting your hair or you re growing it out

If you re compromising then putting your foot down

If you re reminiscing or living in the here and now

You re doin it right

If you re paying full price or you get it on sale

If you re lending a hand or takin a friend s help

Well I m talking to you but I m really talking to myself

You re doin it right

[Chorus]

Yeah, you re doing it right

You re shining your light

You ain t losing your mind

No everything s fine

You re dropping the ball

But you re picking it up

You re stumbling and falling

And falling in love

You re hanging on tight

You re praying each night

You re doin it right

[Bridge]

See I ve made every mistake there is to make

So I oughta know

The only real mistake is not letting em go

So, just let em go
