Bb Dm
Big old tears fall down when she s unhappy

Bb C
Big old moon comes rising when she smiles

With her hair of gold and eyes so blue they haunt you when you re sleeping
Sometimes I wake up laughin right out loud

She s got a big heart and her own mind
Sweet soul, man, she s so fine
She ll live a long time she comes from a long line
She s got a big heart
Big heart, she s got a big heart
