Rodney Crowell

Nothing

Intro: **A F#m D A**

A F#m
I know I complain Mary drives me insane
D A
When I can't make a change that I wanna see
F#m
But it's all in my head but I can't find a thread
D A
So I stumble instead thus standing up for me

Chorus:

D E A
I don't feel nothing anymore
D E A
I can't pick myself off the floor
D
I don't feel nothing, baby

There was a time when the world was all mine
And the night was the light that was guiding me
There was a day when I knew what to say
What I want, what I need, what's inside of me

Chorus + Intro

D A A7
I know there must be something else, won't someone show it to me please
Bm A G E
And if I thought that it might help, I would get down on my knees

Night after night, man, I know it's not right
It's a fuzz and a fight (?) me
Tears come and go, we've got nothing to show
But this hole in my soul that is killing me

Chorus
