

Now That Were Alone
Rodney Crowell

Now That Weâ€™re Alone

G **C**
And tell me what youâ€™re feelinâ€™ now that everybodyâ€™s left and gone.

G **D**
Anybody break your heart? Anybody done you wrong?

G **C**
Hey, I know what you need to hear way down inside your ear.

Em **D** **Em** **D** **C**
Now that weâ€™re alone, now that weâ€™re alone

D
Letâ€™s talk about it now that weâ€™re alone.

And too many smiling faces try to turn your head around
Too many times and places when those uptown dreams just drag you down
Hey, I know what you need tonight, Iâ€™m gonna to hold you tight
Now that weâ€™re alone, oh, now that weâ€™re alone
Letâ€™s talk about it now that weâ€™re alone.

C **G**
Now you might see rain outside your window

C **D**
And you might hear footsteps down your hall

So tell me what you think about it, now that the dayâ€™s complete.
Anybody hurt your feelings, darling? Did anybody cut you deep?
Hey, I know what you need to know, Iâ€™m never gonna let you go.
Now that weâ€™re alone, now that weâ€™re alone
Letâ€™s talk about it now that weâ€™re alone.

Now you might see rain...
