

Until Now

Rodney Crowell

G **D**
Until now, I ve been blind

G **D A D**
Until now, I ve been wasting time

G **D**
I ve been lost on streets of plenty

G **D**
I ve been tossed on icy seas

G **Bm**
And all I ve crossed, ain t worth a quarter

G **D**
It s muddy water, until now

G **D**
There s a light that shines forever,

G **D**
There s a light that shines for me

G **Bm**
There s a light, my footsteps guiding

G **D**
For I ve been hiding, until now
