

Until Now

Rodney Crowell

A **E**
Until now, I ve been blind
 A **E** **B** **E**
Until now, I ve been wasting time
 A **E**
I ve been lost on streets of plenty
 A **E**
I ve been tossed on icy seas
 A **C#m**
And all I ve crossed, ain t worth a quarter
 A **E**
It s muddy water, until now
 A **E**
There s a light that shines forever,
 A **E**
There s a light that shines for me
 A **C#m**
There s a light, my footsteps guiding
 A **E**
For I ve been hiding, until now
