

**Crucify Your Mind**  
**Rodriguez**

Intro: **A, A, F#m, E, A** (2Xs)

**A**  
Was it a huntsman or a player  
**A**  
That made you pay the cost  
**F#m**  
That now assumes relaxed positions  
**E** **A**  
And prostitutes your loss?  
**A**  
Were you tortured by your own thirst  
**A**  
In those pleasures that you seek  
**D**  
That made you Tom the curious  
**E** **A**  
That makes you James the weak?  
**E** **A**  
And you claim you got something going  
**E** **A**  
Something you call unique  
**D** **A**  
But I ve seen your self-pity showing  
**E** **A**  
And the tears rolled down your cheeks.

**A**  
Soon you know I ll leave you  
**A**  
And I ll never look behind  
**F#m**  
Cos I was born for the purpose  
**E** **A**  
That crucifies your mind.  
**A**  
So con, convince your mirror.  
**A**  
As you ve always done before  
**D**  
Giving substance to shadows  
**E** **A**  
Giving substance ever more.  
**E** **A**  
And you assume you got something to offer  
**E** **A**  
Secrets shiny and new

**D**

**A**

But how much of you is repetition

**E**

**A**

That you didn't whisper to him too.
