[Verse 2]

Your sister says that every week

You just come home to eat and go to sleep

And you make plans you never keep

Because your mind is always in the streets

You better get yourself together

Look for something better

[Hook]

[Verse 3\Outro]

There s one last word then I ll conclude

Before you pick up and put on your attitude

Bet you ll never find or ever meet

Any street boy who s ever beat the streets

Street boy

Street boy
