Tune down 1/2 step

Intro: **A...**

D G Em A
Hey! She s on her way from the stratosphere

D G Em A
My my, now I know why heaven followed her here
G D A
she takes my hand we kiss the ground Goodbye

Em G D A
I just got high, feels like I ve just been taught to fly

Em G D A
Every time I m staring at my angel eye-to-eye

G A D (Em or C?) G
So blue the sky so green the grass so tell gravity to kiss my ass
Em A D quickly: Em G
Good-bye, I just got high!

Hey! Up thru the grey into the clear
My, my, now I know why I have nothing to fear
She takes my hand we kiss the ground goodbye

I just got high, feels like I ve just been taught to fly
Every time I m staring at my angel eye-to-eye
So blue the sky so green the grass so tell gravity to kiss my ass
Bye-bye, I just got high!

Em G D A
So when everything seems a heavy thing, and gravity is all around
Em G (Em or C?) A
Little by little let little things go little by little we get off the ground

(solo I can t figure out yet)

Em G D A
Em G C A

Em G D A
I just got high! Feels like I ve just been taught to fly

Em G D
I just got High! I just got high!
Em G D }
I just got high! } x3
