They
it in the DVD. But I just tabbed it uncapoed here.

INTRO:

A **D** **E**
I awake from a long, deep sleep
A **D** **E**
In a leaky little boat on a wide blue sea
F#m **D** **E**
I spy no island, rock or shore
A **D** **E**
And the sea, sheâ€™s a-cominâ€™ to me through a hole in the floor

D **A** **E**
And the tide come in and the tide go out
D **A** **E**
And the waves they come toss my little boat about
F#m **D** **E**
And the sky turn black and the sky turn blue
A **D** **E**
I got no pail, no sail, no anchor, too

-

Just a leaky little boat

| **A A D E** | **A A D**

|

This is the same as the first part of the verses. It is strummed up-down-up on the A s

D s. E can be just one stroke.

This fill is played over these chords and comes up more throughout the song with variations.

```

e |-----|
B |-----|
G |-----2-----|
D |-----0-2-4-2-0---0-----0-2-4-2-0-----|
A |--0--2--4-0-4-----4---0---0--2--4-0-4-----0-----|
E |-4-----4-----|

```

VERSE: | **A A D E** | **A A D**

| **F#m F#m D E** | **A A D**

|

The verse is strummed the same way as the above part. Up-down-up on the A s, D s, and

one strum on the E s.

And as I wake I look around
 I have no notion where Iâ€™m bound
 So many different colored boats I see
 Are all leaky, lonely and driftinâ€™
 Just like me

Chorus:

D **A** **E**
 And the tide come in and the tide go out
D **A** **E**
 And the waves they come toss my little boat about
F#m **D** **E**
 And the sky turn black and the sky turn blue
A **D** **E**
 I got no pail, no sail, no anchor, too

-

Just a leaky little boat

F#m **D** **E**
 I spy no island rock or shore
F#m **D** **E**
 I spy no island rock or shore
F#m **D**
 I spy no island shore

E

And the sea keeps a-cominâ€™ to me through a hole in the floor

-

Of my leaky little boat

Bridge:

A **D** **E**

Alone, adrift, together are we

A **D** **E**

Slowly sinkinâ€™ in a deep blue sea

F#m

But we smile and we wave

D **E**

And we say, "Iâ€™m afraid" and I love you and here we go.

D **A** **E**

And the tide come in and the tide go out

D **A** **E**

And the waves they come toss my little boat about

F#m **D** **E**

And the sky turn black and the sky turn blue

A **D** **E**

I got no pail, no sail, no anchor, too

-

Just a leaky little boat

| A A D E | A A D E | F#m F#m D E | A A D E----|

At the end the music stops then there is just a rhythmic tap on the dummer s high hat

a few seconds. Then the guitar comes in with something like this:

| **E A D A D** | Repeated several times

lyrics.
