

Without Your Love
Roger Daltrey

[Intro] **F Fm7 F6 F C**
F Fm7 F6 F C

C G/B
You can show me the way
A#6 Am
Give me a sunny day
F G7 C
But what does it mean without your love

C G/B
And if I could travel far
A#6 Am
If I could touch the stars
F G7 C
Where would I be without your love

A# F G7 C
Whenever I get to feel down and out
A# F G7 C
I think about what you said and then I give out

C G/B
If I could fly away
E7/G# Am
If I could sail today
F G7 C
Where would I go without your love

(**F7 C**)

A# F G7 C
And if I ever wander away too far
A# F G7 C
Um, you come looking for me with open arms

C G/B
I could forget my heart
E7/G# Am
Feel like a rollin stone
F G7 C
But where would I be without your love
F G7 C
And what does it mean without your love
F G7
Where would I be?
