

Land Ho

Roger Hodgson

**F**

Please don't turn me away,

**F5+**

please don't leave me alone

**Dm/F**

Oh I'm not asking for paradise,

**F7**

I just got to find me a home

**Bb F**

I said land-ho,

**Dm Am**

will I be sailing forever

**Bb C**

Oh-oh I gotta find

**F F7**

some shelter from the cold

**Bb F**

Land-ho,

**Dm Am**

will I be searching forever

**Bb C**

Oh-oh I gotta find

**F7 Dm/F F5+ F**

an anchor for my soul

(**F7 Dm/F F5+ F**)

**F**

Well you may think I'm a fool,

**F5+**

and think I'm running away

**Dm/F**

But I've had enough of the city lights,

**F7**

oh I've got no reason to stay

**Bb F**

I said land-ho,

**Dm Am**

will I be sailing forever

**Bb C**

Oh-oh I need some wind

**F F7**

to help me to my goal

**Bb F**

Land-ho,

**Dm Am**  
will I be searching forever

**Bb C**  
Oh-oh I gotta find

**F7 Dm/F F5+ F**  
an anchor for my soul

**(F7 Dm/F F5+ F)**

I said

**C F Bb**  
When you're alone there's not a sail in sight

**Eb C F**  
Oh it's cold and dark and there's no one there to see you through the night

**(F Bb C F)**

**C F Bb**  
There once was a lady made me feel alright

**Eb C**  
But she couldn't stay

**F Bb**  
so one lonely day,

**Eb C**  
she just sailed away

**F F7**  
And took away my life

**F**  
Maybe I'll always be sad,  
**F5+**  
and maybe there'll always be strife  
**Dm/F**  
Drifting alone with a saddened tone,  
**F7**  
afloat on the ocean of life

**Bb F**  
I said land-ho,  
**Dm Am**  
will I be sailing forever  
**Bb C**  
Oh-oh sometimes I feel  
**F F7**  
my ship is getting old

**Bb F**  
Land-ho,  
**Dm Am**  
will I be dreaming forever  
**Bb C**

Oh-oh I gotta find

**F7 Dm/F F5+ F**

an anchor for my soul

**F7 Dm/F F5+ F**

Will I be sailing forever

**F7 Dm/F F5+ F**

Will I be dreaming forever...
