

Leavings Not The Only Way To Go

Roger Miller

[Verse]

D **D7** **G**
Do the mornin s still come early are the nights not long enough
D **E** **A**
Does a tear of hesitation fall on everything you touch
D **D7** **G**
Well it might just be a lesson for the hasty heart to know
D **A** **D**
Maybe leavin s not the only way to go

[Verse]

D7 **G**
Maybe lay and let your feelings grow accustomed to the dark
C **D7** **G7**
And by morning s light you just might solve the problems of your heart
C **F**
And it all might be a lesson for the hasty heart to know
C **G7** **C**
Maybe leavin s not the only way to go

[Chorus]

C7 **F**
People reach new understandings all the time
C **G7** **C**
They take a second look maybe change their minds
C7 **F**
People reach new understandings everyday
C **G7** **C**
Tell me not to reach babe and I ll go away

[Verse]
