Leavings Not The Only Way To Go Roger Miller

D7 Do the mornin s still come early are the nights not long enough Does a tear of hesitation fall on everything you touch D7 Well it might just be a lesson for the hasty heart to know Maybe leavin s not the only way to go [Verse] D7 Maybe lay and let your feelings grow accustomed to the dark G7 And by morning s light you just might solve the problems of your heart And it all might be a lesson for the hasty heart to know G7 Maybe leavin s not the only way to go [Chorus] C7 People reach new understandings all the time C G7 They take a second look maybe change their minds C7 People reach new understandings everyday G7 Tell me not to reach babe and I ll go away [Verse] D7 Do the mornin s still come early are the nights not long enough Does a tear of hesitation fall on everything you touch D7 Well it might just be a lesson for the hasty heart to know Maybe leavin s not the only way to go
