Tabbed by Richard Sadler (saggysag@yahoo.com)

Verse

D **G**
I could be your lover
D **G**
I could be your friend
D **G**
It s one or the other
C **G**
Or is that where it ends

D **G**
Cos I never see you
D **G**
And you never call
D **G**
I want to be near you
C **G**
To hold you that s all
C **G**
Be there if you fall

Chorus

D **F#m**
Baby it s alright
G **A**
For the first time I could be strong
D **F#m**
I need you near me tonight
G
Must be the right time
A **D**
How could it be wrong? How could it be wrong?

D-G-D-G

Verse

D **G**
You gave me my heartache
D **G**
And you give me my blues

D G

I m here in your doorway

C G

I got nothing to lose

C G

C G

Solo follows verse progression

Bridge

Bm Bm/Bb

if you should decide honey you need a love thats good

Bm/A	E	G	D	A	D
------	---	---	---	---	---

it aint about pride, it aint about manhood and baby, its alright

Fades on

D-G progression
