

The little ones sit by their TV screens

**Eb Ebsus2 Eb**

No thoughts to think

**G#**

No tears to cry

**G# Bb Cm**

All sucked dry

**Bb G#**

Down to the very last breath

**Fm Bb**

Bartender what is wrong with me

**Fm Bb**

Why am I so out of breath

**Fm Bb**

The captain said excuse me ma am

**Fm Bb**

This species has amused itself to death

**Eb Ebsus2 Eb G#**

Amused itself to death

**Eb Ebsus2 Eb G#**

Amused itself to death

**Eb Ebsus2 Eb G#**

We watched the tragedy unfold

We did as we were told

**Eb**

We bought and sold

**Ebsus2 Eb G#**

It was the greatest show on earth

But then it was over

**Eb**

We oohed and aahed

**Ebsus2 Eb**

We drove our racing cars

**G#**

We ate our last few jars of caviar

**Eb**

And somewhere out there in the stars

**Ebsus2 Eb**

A keen-eyed look-out

**G#**

Spied a flickering light

**Eb**

Our last hurrah

**G#**

Our last hurrah

**Fm Bb**

And when they found our shadows

**Fm Bb**

Grouped around the TV sets

**Fm Bb**

They ran down every lead

**Fm Bb Cm**

They repeated every test

**G#**

They checked out all the data on their lists

**Cm**

And then the alien anthropologists

**G# Gm Fm**

Admitted they were still perplexed

**Eb**

But on eliminating every other reason

**Ebsus2 G#**

For our sad demise

**Eb Ebsus2 Eb**

They logged the only explanation left

**G# Cm**

This species has amused itself to death

**Fm Bb**

No tears to cry

**Fm Bb**

No feelings left

**Fm Bb Cm**

This species has amused itself to death

**Bb G# Fm**

Amused itself to death

**Cm Bb G# Fm**

Amused itself to death

**Cm Bb G# Fm**

Amused itself to death

**Cm Bb G#**

Amused itself to death
