We oohed and aahed

We ate our last few jars of caviar

And somewhere out there in the stars

**Esus2 E**

A keen-eyed look-out

**A**

Spied a flickering light

**E**

Our last hurrah

**A**

Our last hurrah

**F#m B**

And when they found our shadows

A G#m F#m

Admitted they were still perplexed

E

But on eliminating every other reason

Esus2 A

For our sad demise

E Esus2 E

They logged the only explanation left

A C#m

This species has amused itself to death

F#m B

No tears to cry

No feelings left
