**E (E F#) G D**

Old man what the hell you gonna kill next

**E (E F#) G D**

Old timer who you gonna kill next

I looked over Jordan and what did I see

Saw a U.S. Marine in a pile of debris

I swam in your pools

And lay under your palm trees

I looked in the eyes of the Indian

Who lay on the Federal Building steps

And through the range finder over the hill

I saw the front line boys popping their pills

Sick of the mess they find

On their desert stage

And the bravery of being out of range  
Yeah the question is vexed

Old man what the hell you gonna kill next  
Old timer who you gonna kill next

Bridge ????

Hey bartender over here  
Two more shots  
And two more beers  
Sir turn up the TV sound  
The war has started on the ground  
Just love those laser guided bombs  
They re really great  
For righting wrongs  
You hit the target  
And win the game  
From bars 3,000 miles away  
3,000 miles away
