Verse 2  
(continue chord pattern)

We got warehouses of butter, we got oceans of wine.  
We got famine when we need it, we got designer crime.  
We got Mercedes, we got Porsche, Ferrari and Rolls Royce,  
Yeah, we got choice.

She said meet me in the Garden of Gethsemene my dear,  
The Lord said Peter I can see your house from here.  
An honest man finally reaped what he had sown.  
And a farmer in Ohio has just repaid a loan.

Verse 3

We cower in our shelters  
With our hands over our ears  
Lloyd-Webber s awful stuff  
Runs for years and years and years and years  
An earthquake hits the theatre  
But the operetta lingers  
Then the piano lid comes down  
and breaks his fucking fingers  
It s a miracle.
