The Ballad Of Jean Charles de Menezes
Roger Waters

```
F                    C                      Dm
 All in all it s just another brick in the wall
F                     C                     Dm
 All in all you re just another brick in the wall

Bb            F
Just another blunder
Bb                 F
Just another lousy call
Bb                   F           C
Just another clap of thunder

      Bb             F
And apologies ring hollow
         Bb              F
From the guilty in Whitehall
     Bb                F
And there s no hint of sorrow
Bb                      F
Just the whitewash on the wall
            C
Nothing is change   (Nothing at all)

      Bb               F       C
And Jean Charles de Menezes remains
 Bb            C           F
Just another brick in the wall!

F  C  Dm  C  F
