

Wait For Her  
Roger Waters

[Intro] G# C# G#

G#

With a glass inlaid with gemstones

G#

On a pool around the evening

C#

Among the perfumed roses

G#

Wait for her

G#

With the patience of a packhorse

G#

Loaded for the mountains

C#

Like a stoic, noble prince

G#

Wait for her

G#

With seven pillows laid out on the stair

G#

C#

The scent of womens incense fills the air

G#

Be calm, and wait for her

G#

And do not flush the sparrows

G#

That are nesting in her braids

C#

All along the barricades

G#

G# G#/F#

Wait for her

Fm

C#

And if she comes soon

| G# | G# G# G#/F# |

Wait for her

Fm

C#

And if she comes late

| G# | % |

Wait

G#

Let her be still

**G#**

As a summer afternoon

**C#** | **G#** |

A garden in full bloom

**G#**

Let her breathe in the air

**G#**

That is foreign to her heart

**C#**

Let her lips part

**G#**

Wait for her

**G#**

Take her to the balcony

**G#**

See the moon soaked in milk

**C#**

Hear the rustle of her silk

**G#**

Wait for her

**G#**

Don't let your eyes alight upon

**G#**

The twin doves of her breast

**C#**

Lest they take flight

**G#**

Wait for her

**G#** **G# G#/F#**

Wait for her

**Fm**

**C#**

And if she comes soon

| **G#** | **G#** **G# G#/F#** |

Wait for her

**Fm**

**C#**

And if she comes late

| **G#** | **Eb**

Wait, wait

(break)

**G#**

Serve her water before wine

**G#**

Do not touch her hand

**C#**

**G#**

Let your fingertips rest at her command

**G#**

Speak softly as a flute would

G#

To a fearful violin

C# | G# G# G#/F# |

Breathe out, breathe in

| Em | C# | G# | G# G# G#/F# |  
| Fm | C# | G# | Eb |

G#

And as the echo fades

G#

From that final fusillade

C# G#

Remember the promises you made
