

Good Morning The Future
Rogue Wave

Tabbed from http://www.youtube.com/watch?v=EfneR_t0iXc

I think acoustic version is better than the electric one. So, if you want to play, go with acoustic guitar. Intro starts with Em*. 9-8-7-9-8-7... Just like that. Watch the video, you will understand what I am talking about.

The Future... oh-oh-oh -> Em-G13-G. Not necessary, but sounds better.
