

**Hungry For Your Love**  
**Roky Erickson**

Intro- C Am F

I m hungry hungry for your love

I m hungry hungry for your love

I can t sleep at night

I just can t eat a bite

Because I m hungry hungry for your love

I m hungry hungry for your kiss

I m hungry hungry for all the good I would have missed

Maybe someday true love will come my way

Somedays never say

Because I m hungry hungry for your love

I m hungry hungry for your kiss

I m hungry hungry for all the good I would have missed

Maybe someday true love will come my way

Somedays never say

Because I m hungry hungry for your love

Hungry for your love
