Getting used to spending all my nights alone

Wouldn t worry about it I can do whiteout it

If you come and see me that would really free me

Tell me what that trip you took has done for you

Come and be my lover I think you discover

B **E** **F#** **B**
That I m like a chiffer down the right track now

B **G#m** **E** **F#**
Got my consolation by anticipation

Keeps me smiling every time I think you re away

I see morning showers while away my hours
