

**Two Little Boys**  
**Rolf Harris**

**C**

Two little boys had two little toys

**C7 F**

Each had a wooden horse

**C**

Gaily they played each summer s day

**D G**

Warriors both of course

**C**

One little chap then had a mishap

**C7 F**

Broke off his horse s head

**C**

Wept for his toy then cried with joy

**D G**

As his young playmate said

**C**

Did you think I would leave you crying

**C7 F**

When there s room on my horse for two

**C**

Climb up here Jack and don t be crying

**D G**

I can go just as fast with two

**C**

When we grow up we ll both be soldiers

**C7 F**

And our horses will not be toys

**D**

And I wonder if we ll remember

**G C**

When we were two little boys

**C**

Long years had passed, war came so fast

**C7 F**

Bravely they marched away

**C**

Cannon roared loud, and in the mad crowd

**D G**

Wounded and dying lay

**C**

Up goes a shout, a horse dashes out

**C7 F**

Out from the ranks so blue

**C**

Gallops away to where Joe lay

**D** **G**  
Then came a voice he knew

**C**  
Did you think I would leave you dying

**C7** **F**  
When there s room on my horse for two

**C**  
Climb up here Joe, we ll soon be flying

**D** **G**  
I can go just as fast with two

**C**  
Did you say Joe I m all a-tremble

**C7** **F**  
Perhaps it s the battle s noise

**D**  
But I think it s that I remember

**G** **C**  
When we were two little boys

**C**  
Do you think I would leave you dying

**C7** **F**  
There s room on my horse for two

**C**  
Climb up here Joe, we ll soon by flying

**D** **G**  
Back to the ranks so blue

**C**  
Can you feel Joe I m all a tremble

**C7** **F**  
Perhaps it s the battle s noise

**D**  
But I think it s that I remember

**G** **C**  
When we were two little boys
