[Verse 1]

Dsus2 Am

All day, I listen out for Jenny s old coupe

Dsus2 Am

Midnight blue, it s faded, but she s always been true

Dsus2 Am

Holiday, haven t seen you since, you had to get away

Dsus2 Am

Window pane, electricity illuminates the rain

[Pre-Chorus]

Dsus2 D6/9 Am D6/9

Lean your face, hopeless, no embrace

Dsus2

I wanna know

D6/9 Am

I wanna know where the silence comes from

Where space originates

[Chorus]

Em D

Lay back, sink in

C G5

You re not talking straight

Em D

I m right, this is sin

C G5

You re not talking straight

Em D

Come around, give in

C G5

You re not talking straight
Em **D**
Lay back, sink in
C **G5**

[Verse 2]
D6/9 Dsus2 **Am** **Dsus2**
On closer inspection, it s just a reflection
Am **Dsus2**
And I still move with feeling inside
Am
And it s the tyranny of questioning
Dsus2
Ring the diving bell
D6/9 Am
I m further down, I m nearly out
Dsus2
I m deeper down the well

[Pre-Chorus]
D6/9 Am D6/9
I m hopeless, no embrace
Dsus2
I wanna know
D6/9 Am
I wanna know where the silence comes from
Where space originates
