 Driving out in the morning light, tapping a beat on the wheel

Radio s broken but I don t mind, It s just the way I feel 
A **B** **E Emaj7 C#m**
 We are driving out, on a motorway tonight
F#m **B** **E** 
on a ten stop, one star, three chord wonderland

 E **A B**
Don t try to stop it, Don t try to stop it 
E **A B**
Don t try to stop it, Don t try to stop it  

I ain t been home all week, I changed my shirt today
 I ain t stopped singing, The phone keeps ringing
 I ll soon be on my way  

We are driving out, on a motorway tonight 

Don t try to stop it, Don t try to stop it 

E **Dm** **C**
 And all I see is night and endless motorways
Bb **B** **E**
 Pizzas and people, but I m bored on my free days
 solo over: **E Dm C Bb B E**

 Don t try to stop it 

  Got a call from a girl last night, I had to tell her no
It s not that I don t want her here, but I ve gotta go  

We re driving out on a motorway tonight  

Don t you try to stop it, Don t you try to stop it Don t try to stop it,

Don't try to stop it!€|
