

**G/C**                    **D/G**                    **A**  
They held him up, down in Ixcatan

**Bm**    **G/C**  
But the blood of a bull ain t the blood of a man  
One s for love, the other for pain  
But you can t tell that from the color of the stain  
The color of the stain

Meanwhile on the mountain-side  
A bull s being killed for a Spanish bride  
The men were in the river washing blood from their hands  
The wedding s gonna be in Ixcatan  
The police here were looking for the crazy man  
Put a bullet through a young man s hand  
They down at the river with their automatic guns  
The groom was washing up in the evening sun

They held him up, down in Ixcatan  
But the blood of a bull ain t the blood of a man  
One s for love, the other for pain  
But you can t tell that from the color of the stain

They held him up, down in Ixcatan  
But the blood of a bull ain t the blood of a man  
One s for love, the other for pain  
But you can t tell that from the color of the stain  
From the color of the stain  
The color of the stain  
No you can t tell that from the color of the stain  
The color of the stain  
The color of the stain  
No you can t tell that from the color of the stain  
The color of the stain  
The color of the stain  
You can t tell that from the color of the stain  
The color of the stain  
The color of the stain  
No you can t tell that from the color of the stain  
The color of the stain  
The color of the stain  
You can t tell that from the color of the stain  
The color of the stain  
The color of the stain  
You can t tell that from the color of the stain  
The color of the stain
