Verse 1:

Em **G**
Our cause so sweet and bitter
Am **C**
Has lost its hard blood glitter
Em **G**
It remains afloat on the waves
Am **C**
When anger fills our sails
Em **G**
Mutinous for the space of a second
Am **C**
You prayed and feared and beckoned
Em **G**
Now your heart is pounding away
Am **C**
just like mine

Chorus:

Em **G**
Should i accept this out of kindness?
Am **C**
Should i reject it out of shyness?
Em **G**
Your sleep is stabbed by dreams
Am **C**
Just like mine
Em **G**
Should i accept this out of kindness?
Am **C**
Should i reject it out of shyness?
Em **G**
Your gift so pure and sweet
Am **C**
Unlike mine

Verse 2:

Em **G**
To thank you for what you ve brought
Am **C**
We lure you close enough for a sword
Em **G**
And just for a little while
Am **C**
I betray you without guile
Em **G**
Your secret prayer scattering the smoke
Am **C**
Made you squeal, made us hide the rope
Em **G**
Now all fear, all hope is gone
Am **C**
Like the moon and the stars and the sun

Chorus:

Em **G**
Should i accept this out of kindness?
Am **C**
Should i reject it out of shyness?
Em **G**
Your sleep is stabbed by dreams
Am **C**
Just like mine
Em **G**
Should i accept this out of kindness?
Am **C**
Should i reject it out of shyness?
Em **G**
Your gift so pure and sweet
Am **C** **Em**
Unlike mine
