

Atlanta

Ron Pope

it s the same throughout the song.

VERSE

F **C**
You have watched the storm clouds roll
F **C**
Past the lighthouse and the shore
F **C**
Beyond the breakers they do go
F **C**
Where they ll end up I don t know
F **C**
And when this weather finally breaks
F **C**
I wanna feel the sun upon my face
F **C**
Although many things will change
F **C**
That is one which stays the same

CHORUS

C **G** **F**
And all the tears I ve cried
C **G** **Em** **F**
If I can make it there, I ll see you on the other side
C **G** **F**
All I never learned
G
Cause I m a thousand miles from Atlanta

Beneath a thousand pounds of hurt

VERSE

In this desert where I sleep
You wait for rain like it s make believe
Where I m from, the earth she bleeds
Dark red clay beneath my feet
And if I m forced to travel on
And end up further from my home
To live forever here alone
Well I don t think I ll last this long

CHORUS

And all the tears I ve cried
If I can make it there, I ll see you on the other side
And all I never learned

Cause I m a thousand miles from Atlanta
Beneath a thousand pounds of hurt

VERSE

Seems this road just does not end
And I am dead to all my friends
If I could compromise or bend
Perhaps I might be born again
And as I wait for shooting stars
On a night that s painful dark
I fall asleep in moving cars
When I wake up I won t care where we are

CHORUS

And all the tears I ve cried
If I can make it there, I ll see you on the other side
And all I never learned
Cause I m a thousand miles from Atlanta
Beneath a thousand pounds of hurt
