Heartfelt Lies by Ron Pope

Capo 3 - Standard tuning

INTRO: **C-C-F-C**

VERSE:

**C F**  
I walk by the rivers edge  
**G**  
skipping smooth wet stones  
**C**  
& watching them sink

**C F**  
i never was a fan of innocence  
**G**  
ive got two black eyes  
**C**  
& an empty fifth of gin

Chorus:

**F C G**  
& i see im wrong for you  
**F**  
but we try  
**C G F**  
you swear im hard to lay beside  
**C G F**  
if i was you i d run from me most nights  
**C G C F**  
maybe i was meant to be left behind

Verse:

**C F**  
thunder and circumstances  
**G C**  
beyond our control rumble in  
**C F G**  
counting time by the lines round your eyes  
**C**  
as your gentle caress helps me forget

Chorus:

**F**                    **C**            **G F**  
& i think its time to say good night  
                  **C**            **G F**  
& you swear im hard to lay beside  
                  **C**            **G**            **F**  
now years seem to pass as we blink our eyes  
                  **C**            **G**  
maybe i was meant to be left behind

Bridge:

**F**    **C**        **G**  
by all of our heartfelt lies (X3)  
                  **C**  
are not enough this time

Chorus:

**F**                    **C**            **G**            **F**  
& i say i d love to spend the night  
                                  **C**            **G F**  
but you found someone else to lay beside  
                  **C**  
& i know it makes sense  
                  **G**            **F**  
but its like sand in my eyes  
                  **C**            **G**            **C**  
maybe i was meant to be left behind
