A smile that lingers on a Sunday morning,

G D A  
And I can't quite find the words.

Lean in to kiss you, and I give no warning,

G D A  
As we both forget the world.

I'll be there when your days are long,  
D Bm G D  
Hold you up if you don't feel strong,  
D Bm G D  
Light your way when the dark comes in,

And when you're lost, I'll lead you home again.  
D Bm G D

Bm D A Bm  
Look out the window and the days upon us,  
G D A  
Now we don't know where to go.
