I Dont Mind If You Dont Mind
Ron Pope

Verse1

```
          G#m                                   E
My blood runs red from the streets to the sewers
      F#               B      F#        G#m
To the blue black ocean I m caught in the tide
            E                    F#
But I don t mind if you don t mind
```

Verse2

```
       G#m                      E
Wash away the filth of the city
       F#                B      F#        G#m
And I lose myself here right before your eyes
              E                    F#
But I don t mind if you don t mind
```

Chorus

```
     G#m
I m alright
       E
I m alright
      F#
I m alright
           B        F#         G#m
I don t mind if you don t mind
       E
I m alright
       F#
I m alright
```

Verse3

```
         G#m                          E
Watch the rain fall clean from the heavens
          F#                 B      F#     G#m
As the skys part open I search for a sign
              E                    F#
But I don t mind if you don t mind
```

Verse4

```
             G#m                              E
Collecting dust in lines on the pavement
             F#                B     F#     G#m
In this sweet surrender running out of time
                  E                    F#
But I don t mind if you don t mind

Chorus twice

        G#m
I m alright
        E
I m alright
        F#
I m alright
             B        F#           G#m
I don t mind if you don t mind
        E
I m alright
        F#
I m alright

Bridge

B                        G#m
I wish that you could see
E                        F#
All thats left of me
B                        G#m
This land of broken dreams
E                        F#
I still try to believe

Chorus repeated four times

        G#m
I m alright
        E
I m alright
        F#
I m alright
             B        F#           G#m
I don t mind if you don t mind
        E
I m alright
        F#
I m alright

Outro/Verse 1
```

```
          G#m                                  E
My blood runs red from the streets to the sewers
       F#               B      F#          G#m
To the blue black ocean I m caught in the tide
              E                    F#
But I don t mind if you don t mind
```
