**G D**  
I will hold you  
**G D**  
In my arms  
**G D**  
And pull you closer

In the dark

Cause you are my woman  
**D G**  
And I am your man  
**D A**  
And it s all part of

Some master plan

[Verse]

**G D**  
When I met you  
**G D**  
I saw in your eyes  
**G D**  
A brand new future

The rest of my life

And I knew that somehow  
**D G**  
You could understand  
**D A**  
That it s all part of  
**D**  
Some master plan

[Chorus]

**G**  
I know that I love you  
**D**  
We ll figure out the rest

Whatever else happens  
**D A**  
At least we both know that

[Verse]

**D**

I hope there s children

**G D**

And fifty years

**G D**

I pray our good times

And know it s all part of

Some master plan

[Chorus]

I know that I love you

**D**

We ll figure out the rest

**G**

Whatever else happens

**D**

At least we both know that
