One Grain Of Sand

by Ron Pope

Capo 3

**Am C**

I dont wanna hold you if you wanna go

**G F**

And im not gonna make you feel love if you don t

**Am F G F**

I would rather learn what it feels like to burn then to feel nothing at all&#8232;

**Am Em**

Oh I used to treat you sweetly I would pull you to my chest

**F G**

as you cried about the ocean slipping quickly through your hands

**Am Em**

you were searching for one grain of sand along an endless beach

**F G**

as I was building you castle you just refused to see

**F G Am**

what do I say, What do I do

**C G F**

to show you all the ways my heart is slowly shattering for you

**F G Am**

what do I say, what do I do

**Am C**

I dont wanna hold you if you wanna go

**G F&#8232;**

And im not gonna make you feel love if you don t

**Am F G F&#8232;**

I would rather learn what it feels like to burn then to feel nothing at all

**Am Em F**

You have faded my reality like leaves that turn to dust fell asleep inside a

**G Am**

fantasy then woke up feeling lost now I m terrified and restless but I just

**Em F G**

cannot escape I wish you had words to cool this fever that is killing me

**F G Am**

what do I say, What do I do

**C G F**

to show you all the ways my heart is slowly shattering for you

**F G Am**

what do I say, what do I do

**Am C**

I dont wanna hold you if you wanna go

**G F**

And im not gonna make you feel love if you don t

**Am F G F**

I would rather learn what it feels like to burn then to feel nothing at all
