I ve searched for something real, and I believe this

Cm7 **D** **G**

You found me on the ground where I was bleedin

Cm7

and you came around

D **Em7** **Cm7** **G**

I d had enough, I d given up, I was broken

D **Em7** **Cm7** **G**

Left to rust, hollowed out, life seemed hopeless,

D **Em7** **Cm7**

here you are, you see my scars, but still you re dryin these

G

eyes

D **Em7** **Cm7** **G**

cause you are my, you are my, you are my reason why

D **Em7** **Cm7** **G**

you are my, you are my, you are my reason why

Post Chorus

Em7 **D** **G**

And what would you say, if I told you my secrets

Cm7

If I sang you my song

Em7 **G** **Cm7**

Would you walk away, or would you hold on

D **Em7** **Cm7** **G**

I d had enough, I d given up, I was broken

D **Em7** **Cm7** **G**

Left to rust, hollowed out, life seemed hopeless

D **Em7** **Cm7**

But here you are, you see my scars, and you re still dryin

G

these eyes

You are my, you are my, you are my reason why

I d had enough, I d given up, I was broken

Left to rust, hollowed out, life seemed hopeless

But here you are, you see my scars, and you're still dryin' these eyes

You are my, you are my, you are my reason why

You are my, you are my, you are my reason why

You are my, you are my, you are my reason why

This is my first tab so cut me some slack. Let me know whatcha think...
