

## Wildflowers

Ron Pope

Capo on 3

### VERSE 1

**C G Am F**  
Love of my life, your father never watched the sky,  
**C G F F**  
And your mother cried in bed.  
**C G Am F**  
So you danced alone, and colored pictures,  
**C G F F**  
In a house where no one listened while you spoke.

### PRECHORUS

**F G Am Am**  
And I can not promise you a fortune,  
**F G C C**  
Cause I ve been a poor boy all my life.  
**F G C Cb Am Am**  
All that I have to give are these two empty hands to keep you warm,  
**Am**  
While I sing

### CHORUS

**C G F**  
Na na na na na na na na  
**F**  
I will remember  
**C G F F**  
Na na na na na na na na

### SAME AS VERSE 1

You and I both, we found our place among the wildflowers,  
Lost, but not alone.  
And I understand, all of the compromise it takes,  
For you to let me breathe your air.

### PRECHORUS

I don t know much about the heavens.  
Most constellations just seem like stars.  
But I ll open up my mind, and these two empty hands will keep you warm,  
While I sing

### CHORUS

Na na na na na na na na  
I will remember.  
Na na na na na na na na

Oh and I ll sing  
Na na na na na na na na  
I will remember, Love, oh yeah.

SAME AS PRECHORUS

I will not lie about perfection, cause we ll have our dark and troubled days.  
Love I can not help but smile, cause my once empty hands are filled with yours,  
and we ll sing

CHORUS

Na na na na na na na na  
I will remember.  
Na na na na na na na na  
Oh and we ll sing  
Na na na na na na na na  
I will remember, Love (Na na na na na na na na)  
Oh, oh and I ll sing for you.(Na na na na na na na na)  
Oh and i ll sing for you.(Na na na na na na na na)  
Oh, Oh and I ll sing for you.(Na na na na na na na na)  
I ll sing for you. (Na na na na na na na na)
