Almost always, is the state Im livin in
Almost always, theres a snag along the way
Almost always, there a reason to believe

D

G

Where everything begins at once , and no one ever wins
There a catch to every good time, in the fine print of the day
As I awake to find my little angel, is tugging at my sleeve

C

G

We donâ€™t see how it started, and we have to leave before it ends
And if there a silver lining, somewhere in all the fray
Over breakfast and a coffee An old perspective I can see

C

D

Almost always, we have to start again
Almost always, we find it out too late (Bridge)
Almost always, love is everything you need ..(Repeat **G, C, D**)

More than likely, theyll be trouble over yonder, its a just a fact of life

Am

More than likely, your thoughts are gonna wander
