The intro is basically these three chords. Listen to the song for the changes.
I think the chord with the ? might be an Fm?

```

```

```
[Verse 1]
C           F           G           Am           Dm G
Secret heart, what are you made of? What are you so afraid of?
C           F           G           Am           Dm           G
Could it be three simple words? Or the fear of being overheard?
C [fill #2]           F           G           C --> [Fill #1]
What s wrong? Let her in on your secret heart
```

```
[Verse 2]
C           F           G           Am           Dm           G
Secret heart why so mysterious? Why so sacred why so serious
C           F           G           Am           Dm           G
Maybe you re just acting tough. maybe you re just not man enough
C [fill #2]           F           G           C --> [Fill #1]
What s wrong? Let her in on your secret heart
```

```
[Bridge]
F           G           C
This very secret you re trying to conceal
           F           G           C
Is the very same one you re dying to reveal
F   C           G
Go tell her how you feel
```

---SOLO----

```
[Verse 3]
C           F           G
Secret heart, come out and share it,
Am           Dm           G
This loneliness, few can bear it,
```

C **F** **G**
Could it have something to do with,
Am **Dm** **G** **C --> [fill #2]**
Admitting that you just can t go through it alone,
F **G**
Let her in on your secret
C
What s wrong
F
Let her in on

Your secret heart
