C# **G#**
I see tomorrow in her eyes
C#
And where my future lies
F#
So I don't need a crystal ball
Ebm **G#**
At all because I've seen tomorrow
C#
In her eyes

C# **G#**
Whenever life tears us away
C#
I'll hold on to the words we say
F#
And if I have to wait awhile
Ebm **G#**
Then I'll be dreaming of tomorrow
C#
And her smile

Ebm
Someday soon love
F#
Someday soon love
Bbm **G#**
There'll be time for you and I love

C# **G#**
And time shall hold no sad surprise
C#
More hellos than goodbyes
F#
So I don't need my fortune told
Ebm **G#**
I know because I've seen tomorrow
C#
In her eyes

F#
No, I don't need a crystal ball

Ebm

G#

At all because I ve seen tomorrow

C#

In her eyes

G#
