OXIGEN

By The Stewart Bros.

Em **B**
Oxigen has been spoken for...
C7
Pay for by the rich...
B
And taken from the poor...
Em
Many people will suffer..
B
Many will fade away..
C7 **B**
Now that the oxigen has gone away...
Em B C7 B
O2 O2 O2 O2 (Repeat twice)
Em
They ve bottled up the last breath...
B
They auction it at ten..
C7 B
Oh oxigen, Oh oxigen...
Em
And now the time has come my friend...
B
May you always rest in peace...
C7
For the poor man its time to check on out...
B
For the rich its time to feast...
Em B C7 B
On that oxigen, O2, oxigen, O2
Em B C7 B
O2 O2 O2 O2
Em Am
Oxigen for sale...
Em
Oxigen....

This is a pretty cool song written by Ron & Tony Stewart
